0 of 0 review helpful A Captivating Travel Book About the Arctic By Rami Yelda This is a fascinating book The author a Canadian a former book editor and athlete describes his several arduous trips in the Canadian sub arctic islands with passion and eloquence His writing is informative and captivates the reader with many historical facts about former arctic explorers He does not only write about sleds skis huskies For more than a decade author photographer Jerry Kobalenko has traced the roots of explorers Inuits and famous Mounties and broken many new trails across the amazing frozen terrain of the Arctic rsquo s Ellesmere Island He recounts the rivalries the challenges and the disasters that befell his predecessors in the 1800s from starvation to ration thefts executions to cannibalism ldquo The Horizontal Everest is refreshingly free of the hubris that marks much of adventure writing and the reader never feels assaulted by Kobalenko rsquo s daring only inspired by it rdquo mdash The New York Times Book
