Aquarists and Divers:

0 of 0 review helpful A nice book By Customer This is a very nice book if you would like to learn more about these beautiful Cnidarians The publication date should indicate to you the quality of the photos they are very pretty and were probably exceptional in their time but advancements in technology make underwater images phenomenal now do not expect HDTV images Still worth the purchase to add to your collection if Anemone Fishes and Their Host Sea Anemones a Guide for Aquarists and Divers
