0 of 0 review helpful but it will serve as a good book for youngsters and amateurs By Oliver C Kwok When I first came across this book I thought it was a five language book of marine fishes in the South China Sea I was hoping to

get some Chinese or Japanese names of marine fishes It turns out that it has only a brief introduction and descriptions of each family in five languages For individual fish there is only the E THIS EDITION IS IN THE FOLLOWING LANGUAGES ENGLISH FRENCH CHINESE JAPANESE GERMAN This book was written and illustrated by two aquarists for the home marine aquarium enthusiast and therein lies its special value The fishes contained in this volume are generally available in the aquarium trade Most identification books are not written specifically for aquarists They are often designed primarily for divers snorkelers fishermen or they may be writte
