By Robert E. Jenkins, Noel M. Burkhead : Freshwater Fishes of Virginia the freshwater fishes of new york series was created as a way to allow everyone to see the diversity and quality of new yorks fisheries resources under florida law e mail addresses are public records if you do not want your e mail address released in response to a public records request do not send Freshwater Fishes of Virginia:

1 of 1 review helpful Great book but be careful on price By Brad Lamphere If you're looking at this page you probably already know that this is THE book for VA and a good resource for the neighboring states as well You may not know that you can buy it directly from the AFS for under 120 smackos 1 of 2 review helpful A work of this magnitude

should receive greater recognition Brand New
