By Matt Artz : Confessions of a Weekend Warrior: Kayaking Stories ever notice how christopher nolans movies interstellar inception the prestige feel like an anxiety attack well maybe thats overstating things a bit but over the past decade digital tools and mobile platforms have rocketed journalism to a universe of innovation interactivity and immediacy once unimaginable Confessions of a Weekend Warrior: Kayaking Stories:

1 of 1 review helpful Lame By Rich Day In the world of kayaking stories this one was not very good Not a whole lot of information about things and it was not very interesting 1 of 1 review helpful More about environmental views than kayaking By carver The author writes more about his environmental views and land adventures than on actual kayaking They were not re From local lakes to the Sierra Nevada Mountains and beyond this short collection of kayaking stories illustrate life s little adventures day weekend and other relatively short trips here and there designed to quench your desire for wildness Because even the shortest outing can leave a lasting imprint and remind us all that it s not the size of the adventure that counts it s how you enjoy it
