1 of 1 review helpful Dissapointed By Greg Gatchell This book was very short Basically a published diary blog It isn't really cohesive just random dated entries about a beginner starting surfing written sarcastically with British humor

telling you the wrong things to do when staring out surfing I read it in about 30 minutes It really wasn't worth it for me
0 of 0 review helpful PA The diary of a middle aged surfer aged 38 and a half You will not learn any radical
manoeuvres or how to charge Pipe from within these pages However I can give you clues as to which way round you
should wear your wetsuit and how not to get a thorough beating from the locals May the swell be with you Percentage
of proceeds to go to the forgotten victims of the Tsunami in Sri Lanka www.paddle4relief.co.uk
