By Cathryn P. Sill : About Fish: A Guide For Children (About (Peachtree)) young children love sea life so incorporating a fish lesson plan for preschoolers will become a popular theme in your classroom read on for information about the supplements and gout dont always mix well so what about fish oil and gout given that fish oil sources are high in purines About Fish: A Guide For Children (About (Peachtree)):

1 of 1 review helpful an excellent choice By Petra DeVerona I got this book for my oldest nephew who has been interested in fish since before his first birthday he s about 4 now He loves it The pictures are excellent There is a simple sentence in large bold type on each page and a corresponding smaller more detailed paragraph towards the back of the book It has some interesting bits of information in it I wish the A new addition to the award winning natural science series for young children ELEMENTARY SCHOOL TEACHER and author Cathryn Sill and her husband noted wildlife illustrator John Sill team up again to offer young readers another first glimpse into our natural world in the latest book in the acclaimed About ... series In simple easy to understand language children learn the basic characteristics of what fish are how they swim breathe and reproduce and the differences From School Library Journal reSchool Grade 2 A simple handsome book Each spread consists of a brief sentence about fish life anatomy or behavior and a full page full bleed watercolor painting The text begins Fish live in water and faces a picture of a
