Throw a Tantrum (Extreme Sports Collection):

0 of 0 review helpful Not bad for a children s book By M Loyola Compared to the other juvenile literature on

wakeboarding I have read at the library this is probably the one of the more informative ones For kids around 10 years of age this may be a good introductory book This book may be too basic for adults and they could probably get more information from somewhere else I also looked at Extreme Wakeboa Accelerated Reader is a program based on the fact that students become more motivated to read if they are tested on the content of the books they have read and are rewarded for correct answers Students read each book individually take the test on the computer and receive gratification when they score well Schools using the Accelerated Reader program have seen a significant increase in reading among their students These new middle school titles are a valuable addit From School Library Journal Grade 3 6 Three introductions to non team athletic activities that have been dubbed extreme Each book gives a brief history of the sport advice on selecting equipment safety basic skills and competition The books are eye catch
