descriptions american indian studies ais 101 american indian studies 3 cr Alternative Life-History Styles of Animals (Perspectives in Vertebrate Science):

These proceedings had their origin in a conference entitled Alternative Life History Styles of Fishes and Other Organisms which was held in Grahamstown South Africa in June 1987 The idea for the conference arose out of the fascination of an African ichthyologist ecologist MNB for the conceptual models of fish life history styles which were being developed by an ichthyologist epigeneticist based in Canada but with field experience in Europe Asia and Africa EKB
